Food during Yatra:

Our cooks will be traveling with you during the entire trip. Our Staff will carry all necessary cooking items and will provide Indian vegetarian food during the Yatra.

Age Restrictions:

No, we do not have any age restrictions. If you are physically fit, you may travel but sometime Chinese Authority do not permit for people aged 70 or above. We insist everyone to consult with their doctor and must mention that you are going to high altitude. Many of old aged people travelled with us and have successfully done the Parikrama.

Important Pre-Departure Information

Clothing:

Casual wears and comfortable walking shoes are recommended to travel to Tibet. Be sure to bring warm clothing as nights and early mornings can be quite chilly to downright cold.

Indian woman Pilgrims are strictly advised not to wear Sari. Bring all the medicines, cosmetics, personal toilet items etc. that you need at home as these are difficult (if not impossible) to obtain on the way.

A small first aid kit is also a good idea. Also, quite useful to have a route map, to know where you are going and have been each day.

What to take:

Winter wear: Gore-Tex material though expensive is highly recommended to beat the chilling cold.

Also, carry down jacket, raincoat or windbreakers, thermal under wears, Jackets, warm trousers & woollen shirts (cotton will also do), warm sweaters, woollen gloves, sun hat, sun glass, comfortable shoes, light leather boots in case of snow, woollen balaclava ('monkey cap') & scarf/dust mask to protect your eyes & nose from dust and cold.

Bring with you:

Snacks along the way. Chocolates, dry fruit, toffees, glucose; 'nankeen' etc. Strong water bottle & water purifying tablets.

Personal medical kit and Diamox tablet (for high altitude), Sun glasses (to protect your eyes from UV, which is especially strong in high altitudes), sun block or sun screen lotion, wet tissues (Fresh-ones are excellent to wipe off the dust), clothes-line/clips, needle & thread, deo-spray (handy for smelly boots/feet and for a round of spray in the toilet tent!), toilet paper, torch & spare batteries, daypack (small shoulder bag), Camera & films, Binocular.

Health:

This is one of the toughest high altitude road journeys on earth. You Must be physically fit – no two ways about that. Generally, patients with asthma & heart problems have a problem acclimatizing to high altitudes.

In your interests, it is essential that you be examined by your doctor to know about your health condition and your ability to cope up with the rigors of high altitude travel for days in 'no road' conditions, extreme cold, dust, trekking to an altitude of 19500ft during the Parikrama, etc.

Altitude Sickness:

As you are travelling over high terrain, you are likely to experience symptoms and discomfort of altitude sickness (headache, loss of appetite, nausea, exhaustion, sleeplessness, breathlessness etc.) until your body adjusts to the elevation.

This can take a couple of days or more depending on an individual. For this reason alone, we have made it mandatory to stay 2 nights at Kerung before moving on to the higher altitudes.

Be calm, and do not exercise. Do not drink alcohol or smoke prior to and during the tour. We also recommend you carry a strip of Diamox tablets. Do consult your physician on the dosage.

We provide Gamow bag (a special equipment to prevent sickness from high altitude) on this tour.

Currency:

The unit of Chinese currency is Yuan. USD 1 = 6.00 Yuan. 1 Yuan = INR 10.00 approx, Money can exchange at Bank of China at Zhangmu or from the locals at Zhangmu or

Kodari. Exchange all your remaining Yuan at the end of the trip at Zhangmu itself before re-entering Nepal.

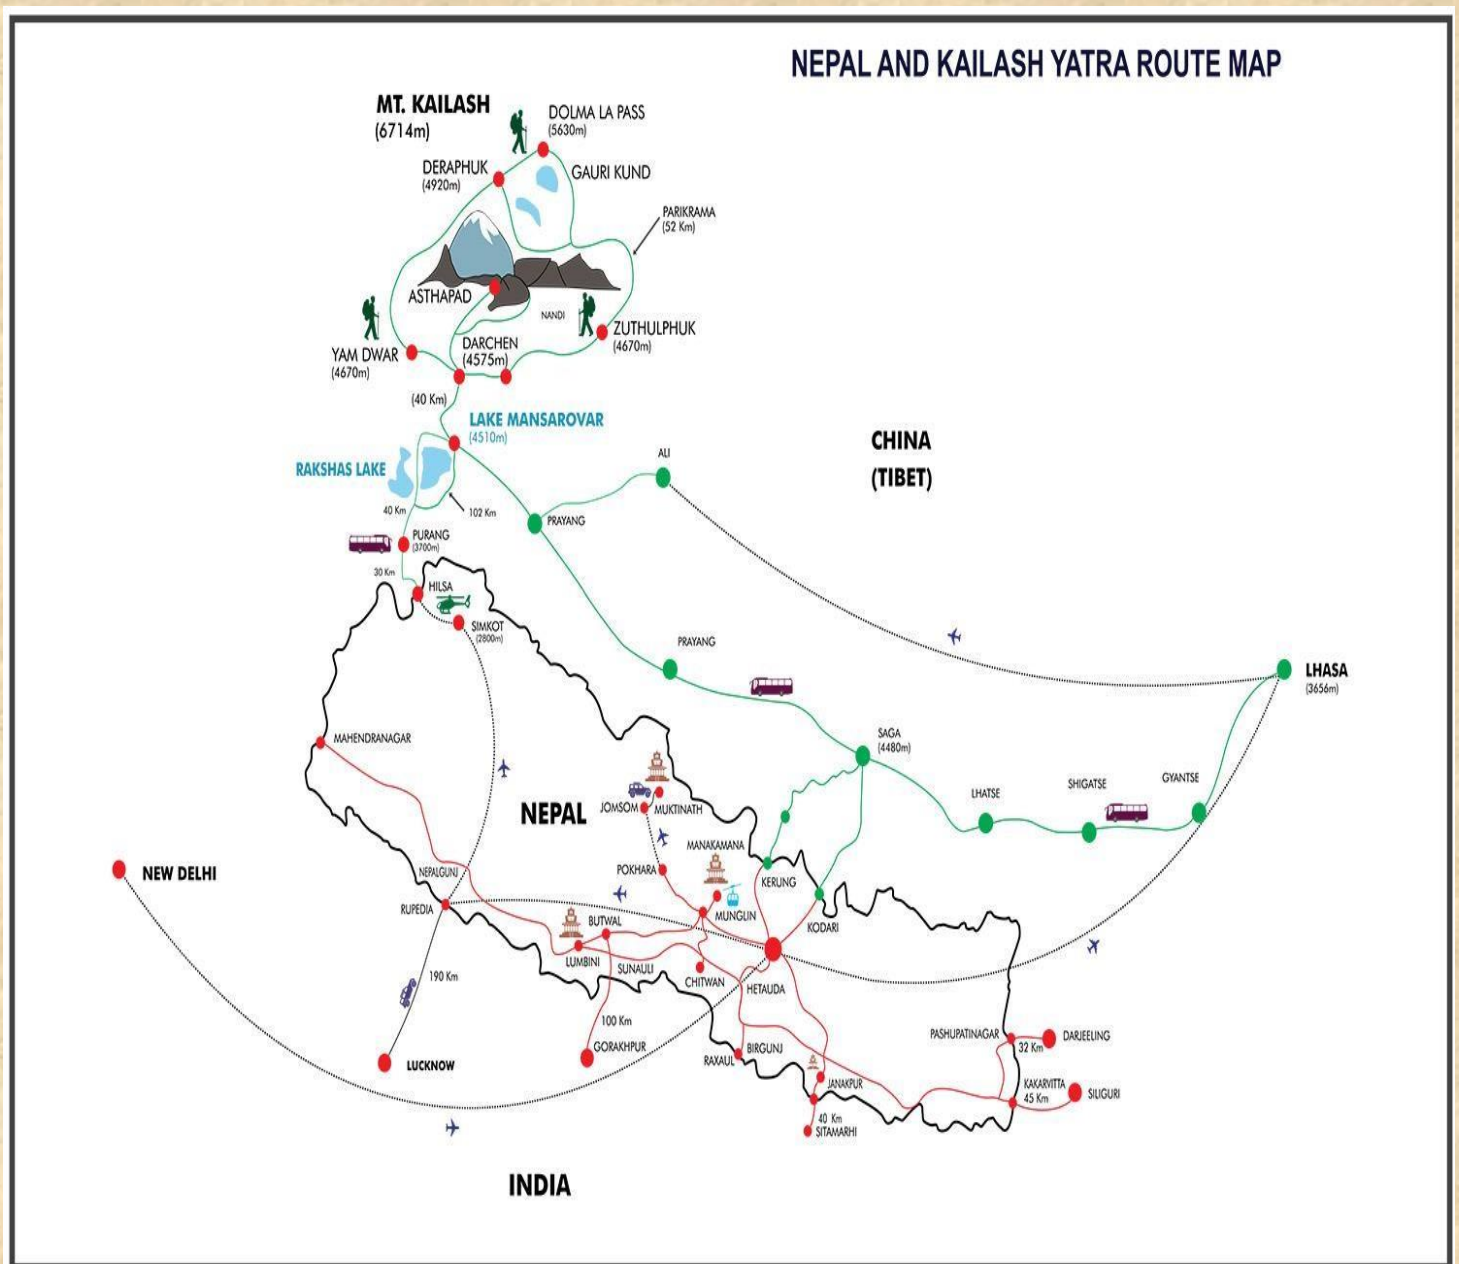

Risks & Liability:

Exotic Miles (A Group of Global Connect Hospitality) team and its associates will put every effort to make your journey smooth and pleasant. However, all the tours in Tibet are conducted strictly under the rules & regulation of Tibet Tourism Bureau (TTB). Therefore, **Exotic Miles** and its counterpart shall not be responsible for any change and alteration in the program due to unavoidable circumstances such as landslide, road blockage, flood, snow, political unrest, cancellation of flight, delay arrival, delay issue of permit and visa, sickness, death or accidents.
